The Principality of Monaco is pleased to celebrate the 11th anniversary of the "Bal de l'Eté".

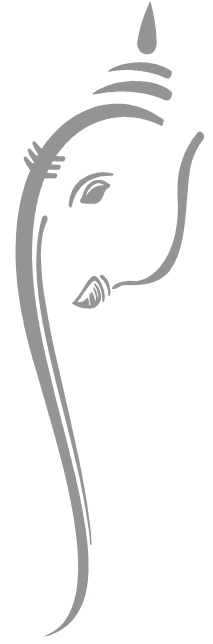

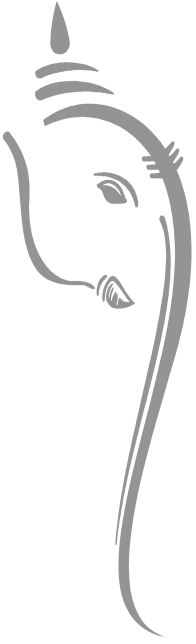

Organized to support the Monegasque Sovereign Order of Malta and the World Association of Children's Friends, the Ball has become a renowned event for this international new and bright generation who knows to enjoy exceptional moments as well as to mobilize themselves to contribute generously to great humanitarian causes.

After Africa and Polynesia and to give this particular evening an exceptional theme, the "Bal de l'Eté" will open the summer season of the Principality in style under the theme of "Dil Se India" and its absolutely fascinating millennium culture.

I wish you all a wonderful time in Monaco for this special event widely appreciated for its originality, elegance and exquisite atmosphere.

A.M.A.D.E. - ORDER of MALTA

The Amade (World Association of Children's Friends) founded in 1963 with offices in 19 countries whose President is H.R.H. Princess Caroline of Hanover, promotes measures to fight the distress of childhood. It is a non governmental organization accredited to Unesco, Unicef and the Council of Europe. Founded in 1974, the aim of the Monegasque Association of the Sovereign Order of Malta, whose Honorary President is H.S.H. Prince Albert II of Monaco, is to expand humanitarian activities and to redistribute surplus medicines to the poorest countries in the world. Working often together, the two organizations are financing the construction of elementary schools, care units, first aid and welfare centers and are helping local associations particularly in Africa.
